Prerequisite Transfers

Transfer students can see if their college or university has courses equivalent to the [RT @ OSU Academic Prerequisites](#).

Equivalent prerequisite courses at many Ohio colleges and universities have been pre-determined. Go to the [Course Applicability System](#) to see the equivalent courses at your college.

If your college is NOT on the list, you can complete a ["Preliminary Prerequisite Evaluation"](#) form of transfer credits to identify equivalent prerequisites. You can complete the form on your computer, print it, and mail the form to:

Applicants with credits from other colleges and universities need to assure that up-to-date, official transcripts with the latest grade information are forwarded to the OSU Professional Admissions Office as soon as they are available.

To be official, transcripts must be sent to Professional Admissions directly from the institutions attended. Non-OSU students should direct their official transcripts be sent to:
