For students who entered OSU Summer 2007-Spring 2008 (new first year students and transfer students with fewer than 45 credit hours) and all students who entered OSU Summer 2008 and after

**CATEGORY 7: Diversity 0-15 hours**  
**Subcategories: Social Diversity & International Issues**

*Goal: Social Diversity courses foster understanding of the pluralistic nature of institutions, society and culture in the United States. International issues courses help students become educated, productive, and principled citizens of their nation and increasingly globalized world.*

One course is required in the Social Diversity subcategory. These courses are indicated with a dot (•).

Two courses are required in the International Issues subcategory. These courses are indicated with diamonds (♦) and stars (★) and can be completed with a combination of two diamonds (♦♦), two (★★) stars, or a star (★) and a diamond (♦). A total of three courses must be completed to meet the Diversity category.

*Students should overlap the Diversity requirements with other GEC courses. If such an overlap is not planned, the diversity requirement must still be met.*

**CATEGORY 8: Breadth**

**Two courses, 10 hours**

This category is fulfilled by additional courses in the GEC categories of Natural Science, Social Science, or Arts and Humanities.

*Many SAMP majors require more than 4 Natural Science courses. Most SAMP majors have prerequisite courses that will overlap in the Breadth category.*
